

Observance of Vigilance Awareness Week (30th Oct. to 4th Nov., 2017) ICAR-NIHSAD, Bhopal

The Vigilance Awareness Week for the year 2017 was observed at the institute from 30th October to 4th November. This week began with administering of the Integrity Pledge to the staff and research scholars of the institute in the presence of Dr. V.P. Singh, Director, ICAR-NIHSAD on 30th October in the Institute auditorium. In his statements, he emphasized to indoctrinate honesty, transparency and regularity among all sections of the institute. Banners depicting vigilance awareness in public life were displayed prominently at several locations of the Institute. A debate competition was also organized on the theme “My Vision- Corruption Free India” in which scientific, technical, administrative and contractual staff actively participated. Two potential debate competitors were identified for prizes. All the staff of the Institute actively participated in the vigilance awareness programme.
