ICAR-National Institute of High Security Animal Diseases
(October 2015)**

Under “Swachh Bharat Abhiyan”, a mission for keeping the country clean, ICAR-NIHSAD, Bhopal has organized a cleaning drive on 2nd October 2015. All the members of ICAR-NIHSAD family have assembled at 8:45 am at auditorium of the institute. The programme was started with a speech from Director on maintaining cleanliness in the institute and residential campus. He emphasized his talk on preventing use of polythene bags to make the campus a polythene free zone. He asked everyone present in the hall to minimise the carrying of polythene bags inside the campus. The inaugural function concluded with “Swachhta Shapath” by everyone to be committed to cleanliness and sanitation, neither to scatter dirt nor to allow others do the same and to dedicate 100 hours every year towards the mission. It was followed by dispersion of the members into groups for cleaning at different sites of the institute. Roadsides near the boundary wall of the institute and residential campus and areas around the SBI ATM near the institute gate were cleaned. Polythene bags scattered inside the institute and residential campus were picked up and disposed properly. Dry leaves and cut grasses around the volleyball court was removed. Areas surrounding engineering section, behind cafeteria and nearby agricultural land were cleaned by removing non-biodegradable material and unwanted plants. Each and every member of the institute participated enthusiastically in the mission.
