

Secretary, ICAR & Additional Secretary, DARE visits ICAR-National Institute of High Security Animal Diseases

Bhopal, 18 August 2017.

Shri Chhabilendra Roul, Secretary, ICAR & Additional Secretary, DARE visited the ICAR-NIHSAD, Bhopal on 18th August 2017. He looked over the Biosafely Level -3 laboratory, the animal bio-containment facility, the bio-engineering infrastructure and other facilities of the institute. During his visit, Secretary witnessed the elaborate biosafety infrastructure inside the laboratory and interacted with the scientists about the diagnosis and research work being conducted on exotic and emerging animal diseases. In his address to the scientists, he appreciated the work being carried out in the institute and highlighted the need for high end research and technology to make the institute a world leader in the area of its work. Dr. V. P. Singh, Director, ICAR-NIHSAD thanked Shri Roul for his keen interest in the activities of the institute and urged for his support for the institute's need of a BSL-4 laboratory in view of the rising threat from zoonotic infections.
